COLIN
KELLY

COLIN KELLY

(Pat. 752) An introduction by Marsh's Nursery, this fine rose is only one of a number which have gone through extensive trials, been patented, and placed in commerce by ourselves. Colin Kelly seems to be particularly well adapted to warm regions, where it outblooms many other roses. The color is a beautiful, lively pink, changing to cerise-red (as in the illustration above) according to the weather and the season. But it is the unforgettable fragrance of this rose which endears it to every gardener. If you like your roses good and sweet, then Colin Kelly is for you! \$1.50 each, 3 for \$3.75.

DENNY BOY
(P.A.F.)

The remarkable rose
on the front cover

DENNY BOY

(P.A.F.) Denny Boy is a new Marsh rose, a marvel of perfection and of unique characteristics. The buds begin as bright yellow little jewels, and the opening flower is a creamy yellow. But each day the color changes, and instead of fading in the sun like almost any other yellow rose, Denny Boy shows first a faint blush of ruddy orange, then a speckling of light pink, and in steady succession as the days go by each individual flower evolves through darker pink, coral, cherry, and finally to a deep ruby-red. All this from a yellow rose! And yet, just lift a petal and look underneath. There, where the magic of the sunlight failed to fall, the petals are still pale gold. Flowers are long-lasting, and the plants bloom steadily all season long. A superb, enduring cut flower, and a faultless hedge rose, Denny Boy is the finest and most unique floribunda you can grow. \$1.50 each, 3 for \$3.90.

CARROUSEL (P.A.F.)
New and very choice

MARSH'S Floribunda

BETTY PRIOR

(Pat. 340) One of the best medium height roses for borders and beds. Plants are heavily branched and well clothed with fine foliage and produce large branching clusters of semi-double pink flowers. Makes a fine show. \$1.50 each, 3 for \$3.90.

BRIGHT EYES

(Pat. 880) Canary-yellow in bud, changing as the flower opens to yellow in the center of the bloom, with pale primrose at the outer edges. The extreme edge of the petals is often tinted pink. \$1.50 each, 3 for \$3.75.

CARROUSEL

(P.A.F.) If you saw only the cut flowers you might mistake this new floribunda for a hybrid tea because of the great size and substance of the blooms. Vivid dark red, non-fading petals which drop cleanly from old flowers, heavy and continuous production, and mildew-proof foliage. \$2.00 each, 3 for \$5.25.

CECILE BRUNNER

Tiny flowers. Buds pink shaded to salmon. Always in bloom. This rose, with our Pasadena Tournament, Red Sweetheart and Lady Ann Kidwell are four of a kind; very different from the usual large flowered roses. \$1.25 each, 5 for \$5.00.

CLIMBING CECILE BRUNNER

Just like the bush rose in flower form, but produced in large numbers on long canes. \$1.35 each, 3 for \$3.25.

CHINA DOLL

(Pat. 678) Very dwarf polyantha making a dense bushy growth and literally covered with dainty double light pink flowers. The clusters are large and the habit so neat that it is one of the finest roses for a low flowering hedge. \$1.75 each, 3 for \$4.65.

CRIMSON ROSETTE

(Pat. 901) Identical in form and habit to Pink Rosette (described and illustrated on page 12) except that the color is brilliant crimson. \$1.75 each, 3 for \$4.40.

◀ **DENNY BOY**

DONALD PRIOR

FASHION

(Pat. 789) 1950 All America Winner. A new color in Floribunda roses. Buds orient red open to a luminous pink overlaid with gold, giving a salmon effect. Flowers like small hybrid teas. Free flowering. \$2.00 each, 3 for \$5.25.

GLORIOUS

(Pat. 879) Informal clusters of deep vermillion buds open to semi-double flowers of Tyrian rose. When in bloom Glorious is actually covered with masses of bloom. Colorful, extremely vigorous and well branched, it deserves a place in every rose garden. \$1.50 each, 3 for \$3.75.

or Sweetheart ROSES

GOLDBLOCKS

HONEY

KATHY FISCUS

(Pat. 967) New. Very double, medium sized flowers of lovely dawn pink on vigorous, glossy leaved bushes. Continuous supply of well formed clusters. \$1.75 each, 3 for \$4.65.

LADY ANN KIDWELL

(P.A.F.) It is another Sweetheart type similar to Pasadena Tournament and Red Sweetheart but distinct in the shape of bud and open flower. The delightful long buds with gracefully pointed petals of rich pink to almost red in cooler weather will take your attention. These open to star-shaped flowers 3 inches across. It is equally good for cutting and the cut flowers last several days in water. Growth upright to about 4 feet and the free flowering habit and fine healthy reddish tinted foliage densely covering the plant make this a fine addition to our list of floribunda roses \$1.50 each, 3 for \$3.75.

PASADENA TOURNAMENT
THE RED CECILE BRUNNER

ORANGE TRIUMPH

Small flowers produced in generous clusters, with a flaming orange-scarlet color. Medium sized, disease resistant bushes. \$1.25 each, 5 for \$5.00.

PASADENA TOURNAMENT (RED CECILE BRUNNER)

(Pat. 578) Named for the world-famous Tournament of Roses at Pasadena, this fine floribunda is the perfect red counterpart of the familiar Sweetheart Rose, Cecile Brunner. Small, dainty, bright red buds, and beautiful, velvety red open flowers. In the garden Pasadena Tournament makes a compact small to medium sized bush, well clothed in rich green foliage. Nearly thornless, it can be used in masses close to walks without danger of torn clothing. See illustration at left. \$1.50 each, 3 for \$3.75.

CLIMBING PASADENA TOURNAMENT (CL. RED CECILE BRUNNER)

(Pat. 797) A fine climber with the same practically thornless habit and dainty, deep red "Sweetheart" type buds which open to marvelously velvety textured flowers of fine form, high centers and with the same excellent keeping qualities so admired in the bush type. \$1.50 each, 3 for \$3.75.

PINKIE

(Pat. 712) All America Rose Selections winner. This lovely little rose has long slender pink buds which open to fully double flowers about 2 inches across. Spicily scented and in clusters. Makes a continuous succession of bloom from spring to fall. Dwarf 2 feet. \$1.75 each, 3 for \$4.65.

CLIMBING PINKIE

(P.A.F.) Just like the bush form, but a brand new, very promising climber. Not many available this year. \$2.75 each, 3 for \$7.20.

PINK GARNET

You've seen and admired this cluster flowered, double pink rose as a potted plant in florist shops. 3 feet tall. \$1.50 each, 3 for \$3.75.

PINK ROSETTE

(Pat. 902) Produces open sprays of peach pink flowers, each spray bearing many flowers. Open flowers suggest the primness and beauty of Colonial roses. Makes an erect, strong growing bush with excellent foliage. \$1.75 each, 3 for \$4.40.

PINOCCHIO

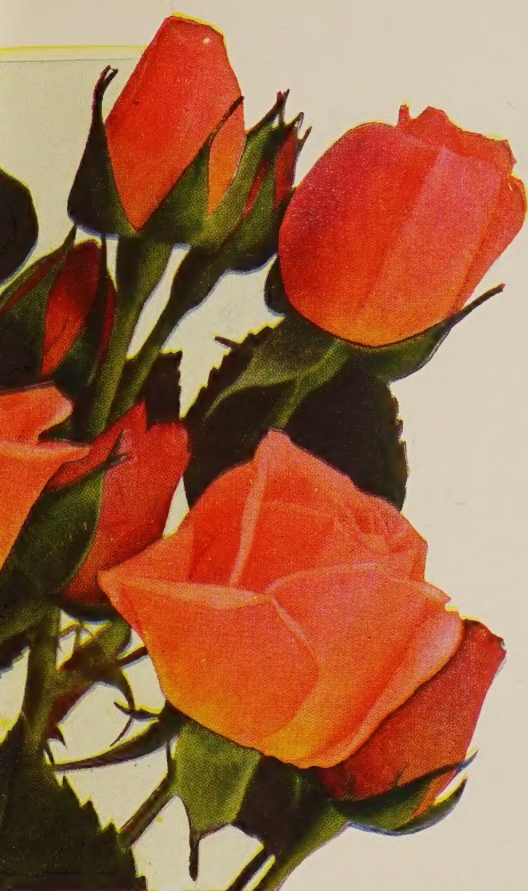

(Pat. 484) An ideal companion for our Pasadena Tournament and Red Sweetheart and others. Plants are dwarf, around two feet tall—just the right size for mass planting or edging. Always in bloom with its pointed buds, salmon flushed gold in large clusters. \$1.50 each, 3 for \$3.90.

RED SWEETHEART

(Pat. 577) Another Marsh introduction. Carmine red buds opening to rose red blooms. The flowers are slightly smaller than those of Pasadena Tournament when fully open. The buds make exquisite corsages, boutonnieres and charming nosegays. See illustration on page 11. \$1.50 each, 3 for \$3.75.

ROSE ELFE

Silvery pink gardenia-like flowers, 2½ inches across and extremely double are produced in a delightful profusion all summer. \$1.25 each, 5 for \$5.00.

SMILES

(Pat. 331) Gorgeous clusters of coral pink buds which spring into dainty semi-double flowers of lively salmon pink, beautifully shaped and about 3 inches across. Delicate fragrance of the long-lasting flowers is very pleasing. Dwarf plants 18 inches. \$1.50 each, 3 for \$3.90.

SNOWBANK

(Pat. 279) An exceedingly profuse bloomer, this variety makes a veritable drift of snowy bloom all season long, making it perfect for hedge use. Dwarf plants, with white flowers, faintly blushed, and very attractive. \$1.50 each, 3 for \$3.90.

GOLDILOCKS (See page 11)

SNOWFLURRY

(Pat. right reserved) New this year. The flowers are the most delicate pink imaginable, but this is apparent only in the earliest stages, since the color promptly disappears after opening, leaving a pure white flower. Plants grow 3 feet tall and produce freely. \$2.00 each, 3 for \$5.00.

SUNNY

(Pat. rights reserved) New this year. You'll be really astonished by the strength of these plants, and by the incredible number of flowers a single, 3 foot bush produces in one season. Flowers are a most charming apricot color, semi-double, and well worth having. \$2.00 each, 3 for \$5.00.

VALENTINE

(P.A.F.) A nice, new little fellow growing only 18 to 24 inches high, but making a sturdy, colorful hedge that is both dense and colorful. Flowers are bright red, 2½ inches across, and borne in such big clusters that they cover the plant with color. \$2.00 each, 3 for \$5.25.

VOGUE

(Pat. 926) An All America winner for 1952, this new floribunda is of a glowing rose, flushed with salmon. It grows 2½ to 3 feet tall, has fine, dark green foliage, and a good fragrance, which is a rare thing in floribundas. \$2.25 each, 3 for \$6.00.

CL. YELLOW CECILE BRUNNER

Typical Cecile Brunner, Sweetheart type flowers, but this time in a clear yellow color and a climber. \$1.35 each, 3 for \$3.25.

YELLOW PINOCCHIO

(Pat. 992) Another new member of the Pinocchio family, with apricot-yellow blooms. Lots of bloom on 3 foot plants. \$1.50 each, 3 for \$3.90.

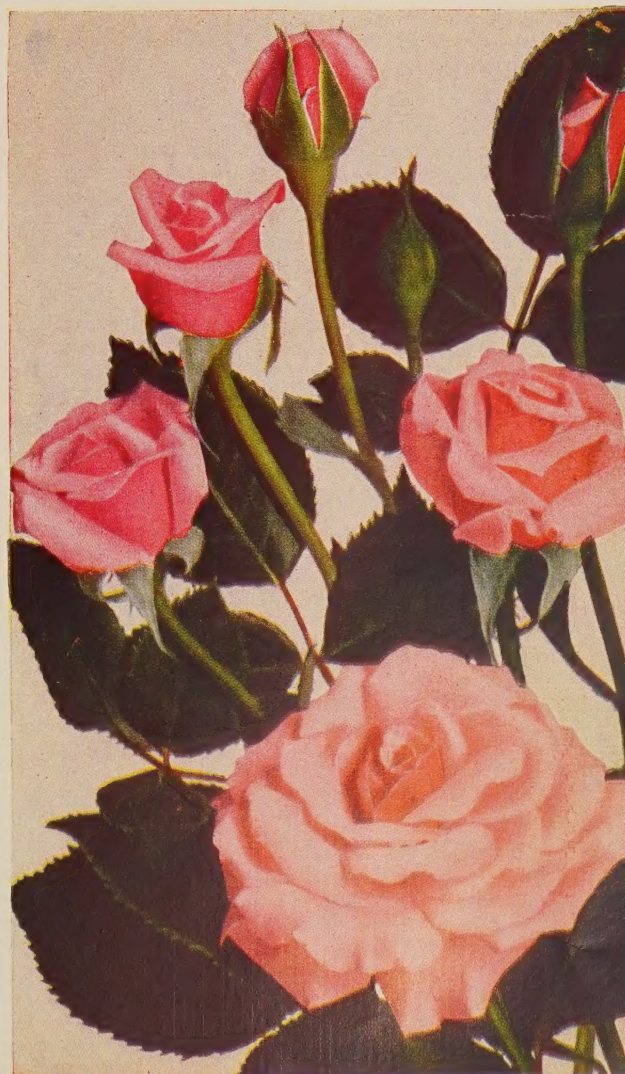

CL. YELLOW SWEETHEART

(Pat. rights reserved) This is an improved Cecile Brunner type, which means both larger flowers and more of them, still preserving the Sweetheart form. This new, yellow climber is offered for the first time this year. Each \$2.00, 3 for \$5.00.

Novelty Roses

BOUTONNIERES

MICKY

Plants are amazingly vigorous, with compact, dense growth up to 5 feet high and 4½ feet across. A fine, tall hedge. Everblooming and disease resistant. \$1.50 each, 3 for \$3.75.

RHAPSODY

Long, 2 inch, urn-shaped buds of great beauty for boutonnieres, corsages and bouquets. Semi-double tinted orange on the inside, and a rich terra cotta hue outside; sweetly perfumed. Disease-resistant, everblooming plants, 3 feet tall. \$1.50 each, 3 for \$3.75.

MINIATURES

OAKINGTON RUBY

ROSA ROULETTI

Imagine how pleased you'd be with a 6 to 8 inch high permanent edging or border of these hardy little bushes. Lots of perfect little bright pink fully double flowers about 1 inch across. These plants may be potted, too. 85c each, 3 for \$2.00.

Very glossy foliage. \$2.00 each, 3 for \$5.00.
